

Keeping Chestfield Tidy!

Chestfield Parish Council is organising a **Litter Pick** **on Sunday 26 March 2023**

If you are able to help, please come to the play park on Chestfield Road at 11am. (weather permitting). The council will arrange for high-viz jackets and litter picking equipment etc. to be available.

The pick will last no more than a couple of hours.

Please do come along and lend a hand to help us keep our village in the condition we all want to see.

Chairman's Message

Welcome to the first edition of 2023!

Whilst we have much to plan and look forward to in the coming months, may I just take this opportunity to extend a big thank you for the many of you who attended our Christmas Carols gathering on 20th December – which may have been the first for three years, but was certainly one to remember for many reasons. Not only was this the first such event for both new members of the clergy from St. Josephs and St. Johns, but it also witnessed a record attendance.

I must admit that I was personally taken aback by this as this not only yet again proved that post-Covid community spirit remains as strong as ever, but how much the event had been missed by many – I received so many wonderful comments thanking us – but to be honest, the thanks all belong to yourselves. We honestly didn't know how well the evening would be received – but one look around the village at the many Christmas lights in the gardens gave us a bit of a hint!

We cannot enter the new year without thoughts towards the District Local Plan and all that it brings, and with it our assurances that the Parish Council will continue to work closely with both the City Council and developers to ensure that any proposed plans or changes are fully integrated into this wonderful village of ours. In this regard, we have taken the initiative to hold informal preliminary discussions with site promoters, and have expressed our thoughts and comments to all parties. A copy of our response to the Local Plan as submitted to the City Council can be found on our website, as can a brief synopsis and explanation of the plan itself on

<https://chestfieldparishcouncil.gov.uk/parish-council-minutes/>.

We recognise that this affects every one of you and we would welcome your thoughts and comments in this regard – all of which will be equally respected and appreciated.

You will all be mindful that one of our main points surrounds that of existing infrastructure to which any new development scheme would affect. This comment incorporates all such infrastructure – either visible or hidden. We can no longer rely on the existing underground Victorian pipework layout and design, and thankfully this is a point that has been widely recognised by all concerned parties. A case in

point is a similar issue with regards a certain development that - whilst not in the boundary of our parish the planned Southern Water connection aspect is - and we have therefore successfully sought to obtain written assurances that these final 'live' works may not proceed without there being a substantial improvement to the infrastructure. We therefore took the immediate decision to independently write to all concerned residents (in this case those living in Maydowns Road) as our reassurance that we are very much in the forefront of things. We have also requested a Freedom of Information release from Southern Water as this is not necessarily detail that is available through the City Council. We would point out however that this FOI request was fully supported and endorsed by Ben Fitter-Harding as our Ward Councillor, for which we would like to record our thanks.

Hopefully this will further emphasis the closeness in the manner that we work with our CCC representatives for our parishioners' benefit – one that we fully intend to ensure works for all of us, particularly given the upcoming additions to our wonderful village of Chestfield.

We are currently in talks with the City Council with regards the ongoing on-road parking situation at the Radfall Recreation ground on match days which may hopefully ultimately provide an extension to the existing parking facilities – yet another example of all parties working together for one set cause and ultimate result.

We remain forever proud of our special village and this can be no more so than when we hold our 'Village Clean-Up' days, when we are always so amazed at how many of you give up a couple of hours on a set Sunday morning to do exactly what it says on the tin! As is customary we will be holding our next such day on Sunday 26 March from 11am – all equipment is provided for your safety – all that we ask from you is a couple of hours of your time.

We are also pleased to advise you all that we have now installed a second defibrillator in the village – this time on the side of the WI Hall. Although the cabinet for this incorporates a coded lock, it can be accessed through one telephone call to 999. With the best will in the world, we hope that this is never used – but nonetheless we feel that this is an important addition to our village.

We also plan to re-plant the community herb garden in the coming weeks, so if any of you have any particular suggestions for this, please let us know – and please don't forget to place your discarded seeds in our seed swap box (and please feel free to help yourselves also).

The Parish Council have made no specific plans for the Kings' coronation at the beginning of May as we are mindful that many of you prefer to hold your own events within your roads and associations, or watch in your own homes. We can however confirm that we plan to hold a Family Day at the end of August very much along the lines of the one we held last year to celebrate the late Queens platinum anniversary.

As with the last event there will be no charge for attendance – although we would ask that anyone who would like to arrange a stall for their own fundraising pay an arbitrary donation. Please look out for further details later in this magazine and nearer the time.

As we anticipate a large turn-out for this event, we have applied for a National Lottery grant towards our costs, and can confirm that we have already secured the booking of the very popular inflatables, etc.

As you can see from the above, our diary is beginning to fill nicely – but we anticipate it becoming busier in the coming months, so as always, your backing and support is so very much appreciated.

Best Regards

Steve Bailey, Chairman, Chestfield Parish Council

Rumour Mill

Many of you will be aware that rumours abound regarding the village of Chestfield becoming part of a planned all-encompassing Whitstable Town Council.

Whilst we would fully encourage the formation of third-tier government councils such as our own Parish Council, please be assured that we have no intention in the integration or amalgamation with any other group, however we are more than happy to lend our support and advice to any surrounding area that wishes to form its own parish council (we have previously done so in other areas).

A date for your diary!

The Annual Electors meeting for residents Monday 20 March 2023 from 7pm at the WI hall in Chestfield Road

Come and hear the annual reports from your local societies and local organisations, and city and county councillors – together with the parish council Chairman's annual report.

All residents welcome! For more information, contact the Clerk on 01227 77312 or email clerk@chestfieldparishcouncil.gov.uk

If any Chestfield organisations would like to send a report please email it to the Clerk by 19 March 2023. Many thanks.

Plea for more speedwatch volunteers

If anybody can spare an hour or more once a month to monitor and record speeding vehicles through the village, we'd love to hear from you – Contact the Clerk for more information of what's involved to join our friendly and dedicated team. An online registration with Kent Police and completion of a short training video need to be done first off.

For information - In the week to 12/02/2023:

Results from Chestfield Speedwatch Group - During the last year 356 vehicle(s) were input

Secondly some results from Kent - During the last year 29,870 vehicle(s) were input; During the last week 409 vehicle(s) were input.

Concerns about speeding can be referred to Kent Police using their non-emergency number 101 or by logging using the online fault reporting tool: <https://www.kent.police.uk/ro/report/rti/rti-beta-2.1/report-a-road-traffic-incident/>

Save the date!

Another community Fun Day

**Bank Holiday Monday 28 August 2023
at Chestfield Cricket Club, 12pm to 5pm**

Further to the very successful Queen's Jubilee event last year the parish council has resolved to hold a similar event on 28 August 2023 with help from the cricket club.

Entry is free. We hope to see lots of you there!

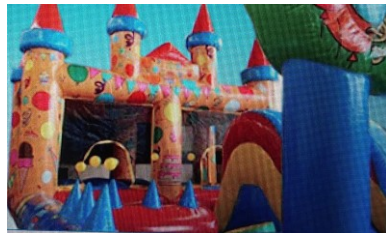

Total Wipeout rotating inflatable

Adult and children's Sumo suits

9 hole mini golf

Party Play zone for under 8's

Bar, Stalls, Tombola, Rodeo Bull, Catering vans, Crown making, Tug of War, sack races, three legged races, egg and spoon races, and more.... Bring your own picnic blanket and picnic food for a "Big Lunch" – or there will be food offerings for sale if you prefer, and the cricket club will have its bar available for drinks.

**More details will follow in
the June magazine.**

If anyone would like to have a stall for a nominal fee payable in advance please contact the Clerk. If you would like to volunteer to help on the day in any way, please contact the Clerk.

Precept/budget for 2023-2024

Chestfield Parish Council considered options for its precept/budget for 2023-2024. Although the anticipated budget spend is projected to increase to £70,582, the councillors were mindful of the cost of living affecting everyone now, and resolved to set a precept of £64,673, the same level as last year's. The difference will be met through the use of unrestricted reserves and potentially successful grant application(s).

WI or other venue rental	315
Office supplies	650
Insurance	860
Councillor's training and mileage	200
Chairman's allowance (this is not paid to the Chairman)	1325
Donations to local organisations	3000
Telephone; Postage, Broadband; Antivirus protection; Cloud backup; Domain name and website hosting	1500
Annual Subscriptions to various organisations,	1846
Magazine Production (cost offset by advertisers)	900
Christmas Tree / Lights, Carol Service, Christmas Lights competition - any costs met from unrestricted reserves	0
Play park planters: ongoing maintenance and replanting	1200
Replenishment of Community Herb boxes	400
Speedwatch - batteries and annual service and calibration	285
Outdoor Gym maintenance	104
Grass cutting of Public Rights of Ways	4620
More trees and biodiversity measures	1000
Defibrillator consumables	100
Administrative, Services and Staffing: Annual return; Internal audits, Clerk salary, PAYE, Employee and employer national insurance contributions, pay calculations outsourced, pension contributions, clerk mileage, office equipment, PAT testing	49277
Community event planned for August 2023 to have a grant applied for, and/or be paid for from unrestricted reserves	
To keep the precept at the same level as last year's unrestricted reserves to be used	-2909

New Parish Councillor co-opted at the 09 January 2023 meeting

Resident Mike Poole was co-opted to the vacancy on the parish council at the 09 January 2023 parish council meeting.

Mike, born in Folkestone, went to school at Saltwood, obtained GCE's and went to work in Folkestone for a Motor Insurance Company, arranging for vehicles to be repaired, and settle disputes as to who was to blame, finding this was a good learning curve to negotiate settlements by correspondence and discussion.

His career carried on in the Motor Insurance Industry working in London for a Lloyds Syndicate and then for 25 years in Whitstable later moving to Canterbury as Assistant Motor Claims Manager.

Married to wife Ann in 1975, they moved to Whitstable for easy commuting. And then to Maydowns Road, Chestfield where they have lived for 40 years. Mike has been on the Maydowns Road Association Committee for many years and is now Vice Chairman.

Mike says, "We have two children who have families and live locally.

My interests are with young people and the environment.

I have been involved as Cub Scout Leader at the 6th Whitstable Scouts in Swalecliffe for 15 years until work commitments made that difficult. I then returned as Chairman of the Group and have been in post for the last 12 years. This involves running a committee which ensures our HQ is safely maintained and all the running costs as covered.

I am a keen caravanner and we have our own caravan which we use to tour to different locations.

I enjoy my garden and the Chestfield and Swalecliffe area that we live in.

I am keen to enhance this and believe I am now able and willing to give time to the Parish Council to do what I can to assist them continue to improve the area for all the residents.

I hope I will be able to work constructively as a team with the other members to make Chestfield an even better place to live."

The parish council's response to CCC's consultation on the regulation 18 draft Canterbury District Local Plan is available to view alongside the January 2023 parish council meeting Minutes on the parish council's website at

<https://chestfieldparishcouncil.gov.uk/parish-council-minutes/>

– or available from the Clerk, on request.

MAY 2023 ELECTIONS – IMPORTANT INFORMATION FOR EVERYONE

On Thursday 4 May this year there will be elections for all 39 city councillors and in some areas of the district, elections to parish councils.

The government has decided to introduce voter identification for these elections.

If you want to vote at the polling station in these elections, then as well as being registered to vote, you will also need to show an approved form of photo ID before you can be issued with a ballot paper. Without an approved photo ID, **YOU WILL NOT BE ABLE TO VOTE AT THE POLLING STATION.** (This includes Proxy Voters.) Acceptable forms of photo ID include a driver's licence with photo, passport, older persons and disabled persons concessionary bus pass, Blue Badge and any PASS-accredited forms of photo ID. An important point to note is that student passes at Canterbury's universities are not PASS-accredited.

See the full list of what is an acceptable form of photo ID at <http://www.electoralcommission.org.uk/.../accepted-forms...>

Photo ID can be expired, such as an out of date passport, but there must be a likeness, and if there has been a change of name, you will need to provide evidence of this. It must also be an original document, not a copy.

If you do not have any of the approved photo ID as set out in the link above, you can now apply online for a free **Voter Authority Certificate** - go to <http://www.gov.uk/apply-for-photo-id-voter-authority...> For this, you will need to provide your name, address, date of birth, National Insurance number and a photo. You must also be on the electoral register. The deadline to apply for a Voter Authority Certificate is 5pm on Tuesday 25 April, but CCC would encourage you to apply as soon as possible.

Options to apply via a paper form and in person at the council will follow in due course.

WE CANNOT STATE THIS STRONGLY AND CLEARLY ENOUGH. WITHOUT AN APPROVED PHOTO ID, YOU WILL NOT BE ABLE TO VOTE AT THE POLLING STATIONS IN THESE ELECTIONS.

Please take the time now to check you have acceptable photo ID, and if you don't, take action to get your Voter Authority Certificate.

Postal voting is not covered by the photo ID requirements for these elections. If you vote by post, you do not need to provide a photo ID. You can apply for a postal vote until 5pm on 18 April at

www.canterbury.gov.uk/voting-and-elections/apply-postal-vote

If you are not currently registered to vote, you can register until 17 April on the CCC website: www.canterbury.gov.uk/voting-and-elections/register-vote. If you do not know if you are registered, you can check by emailing electoral.services@canterbury.gov.uk or calling 01227 862007.

If you cast a proxy vote on behalf of someone else at the polling station, you will need to have the photo ID. Find out more about proxy voting at www.canterbury.gov.uk/voting-and-elections/apply-proxy-vote

Canterbury City Council's Returning Officer, Tricia Marshall, said: "This is the biggest change to voting in our district for many, many years. We do not want to have to turn anyone away from the polling station, so it is essential that local residents check these new rules on photo identification and make sure they either already have an acceptable form of ID, or take action as soon as possible to apply for a Voter Authority Certificate.

"These are important local elections for the district and we want to ensure everyone can have their say on who is elected to the city council and parish councils for the next four years."

Rain report for 2022

In the March 2022 and September 2022 editions of this magazine we ran details of resident Barry Vane's 2021 weather reports by month - He has been producing this since 2006 for the Golf Club. The weather station reporting was a Davis semi professional Vantage Vue. For a link to Barry's site visit <https://www.awekas.at/en/instrument.php?id=14456> Global warming? Barry comments, "2022 is the strangest weather extreme year I have ever recorded, in July, I recorded 38.6c - that's insane for us."

A pretty low rainfall on average but *only beaten by 1mm in 2011* with 509mm

2022 rainfall by month	2021 rainfall by month	Barry's rain report by year...
Jan. 17mm Feb. 32mm Mch. 27mm Apr. 13mm May 50mm June 28mm July 11mm Aug. 23mm Sept. 64mm Oct. 43mm Nov. 148mm Dec. 54mm TOTAL = 510mm	Jan 122mm Feb 26mm Mch 40mm Apr 5mm May 95mm Jun 81mm Jul 42mm Aug 65mm Sep 17mm Oct 85mm Nov. 18mm Dec 55mm TOTAL = 651mm Some very wet some very dry but as you can see overall probably close to an average year.	2006 813mm 2007 870mm 2008 752mm 2009 745mm 2010 667mm 2011 509mm 2012 1138mm 2013 715mm 2014 928mm 2015 628mm 2016 554mm 2017 468mm 2018 685mm 2019 645mm 2020 665mm (Year of Covid) 2021 651mm (Year 2 of Covid) 2022 510mm Mother nature appears to level it all out !!

Broad Oak reservoir

The Broad Oak reservoir is being progressed by South East Water – it is now in their Business Plan - to be delivered either by 2033 or by 2036 – South East Water has two alternative plans currently out to consultation.

All our water falls first as rain, but where South East Water take it from varies:

- Above ground South East Water collect around 19% of the water we use from rivers and reservoirs, but its below ground where most water is sourced.
- Around 73% of water pumped to customers' taps comes from aquifers. Rain gradually soaks through the sandstone into porous underground rocks such as chalk and sandstone. Once stored within these sponge like rocks South East Water can pump it to the surface.
- South East Water has more than 250 boreholes and wells – water from these is treated and made safe to drink.
- The remaining 8% of water comes from neighbouring water companies through the regional water grid.

- The population of the South East Water supply area is set to increase by 25% to 2.81 million by 2050.
- There is an anticipated increase in business water use from 90 million litres a day in 2025 to 109 million litres a day by 2075.
- The amount of water South East Water can abstract from the environment could reduce by 158 million litres a day by 2050.
- South East Water predict that by 2075 there will be a shortfall of around 40.37 million litres of water a day in Kent, rising to 118.6 million litres a day at peak times.
- Climate change will cause more extreme weather events and reduce the amount of water available for use.
- And all the new homes planned will mean an increased demand.

Plans to build a reservoir at Broad Oak have been on the table since the 1970s.

Since 2019 South East Water has progressed design work as well as engineering and environmental studies ahead of submitting a planning application – anticipated in 2025. The reservoir is smaller than the original concept and would be determined by Canterbury City Council as the local planning authority (rather than being determined at a higher level as a major infrastructure project.)

The proposal includes developing recreational and educational facilities alongside the reservoir, a new water treatment works, the creation of new environmental habitats, and capturing winter flood flow in the Great Stour chalk River and pumping the water to the reservoir site.

The draft Canterbury District Local Plan (Regulation 18) now has a strategic policy - R26 – for a 440ha Broad Oak reservoir and Country Park.

PLASTIC-FREE

Please help with the district's Plastic-Free initiative. More details at <https://www.ccap.org.uk/plastic-free-canterbury/>

How Can Individuals help?

Reuse	Carry a reusable water bottle or coffee cup rather than buying throwaway plastic ones
	Use a tote bag or other reusable bag rather than single use plastic bags
	Avoid plastic cutlery, straws, plates and cups
Refill	Some shops will now refill shampoo, soaps and laundry detergents, amongst others
Recycle	Use the correct bin
	Take your rubbish home
Advocate	Speak to your local supermarket, café or pub about what you would like to see as a valued consumer
	Contact your local MP and councillors to voice your concerns
Educate	Speak to your family and friends, set an example and be part of the solution

20 billion plastic bottles are thrown away each year, whereas plastic bag use in the UK dropped by 59% in a single year. Change is possible.

GRASMERE GARDENS

CHESTFIELD

New application CA/21/02244 granted permission in March 2022 for Approval of appearance, landscaping, layout, scale and internal circulation for Phases 2 and 3 including the erection of 158 dwellings, 3,500 sqm of commercial floorspace, along with provision of all associated infrastructure, MUGA and parking, pursuant to outline planning permission CA//17/00/469/OUT.

We have received the following update from Kitewood, the developer:

Dear Neighbour

We start 2023 with a further update on progress at Grasmere Gardens. Despite the inclement weather at the end of last year, good progress is being made with approximately half of the phase one units in production. This includes both the affordable housing and private for sale homes.

Significant works have taken place to the drainage and service infrastructure both on and off site.

Work is about to commence on the entrance area and open space landscaping which runs alongside Swalecliffe Brook, and further off site highways works are scheduled later in the year which will run in parallel with the start of phase 2 of the development.

The four show homes are taking shape with the sales complex expected to open at the end of March this year. This will be open 7 days a week and will demonstrate a mix of 2, 3 and 4 bed houses.

We are able to report a number of new home reservations have already taken place, and further sales information is available via the selling agents Wards of Whitstable, Tel 01227 532912.

We wish you a good 2023 and look forward to welcoming you to our development in the Spring.

Yours sincerely

KITEWOOD

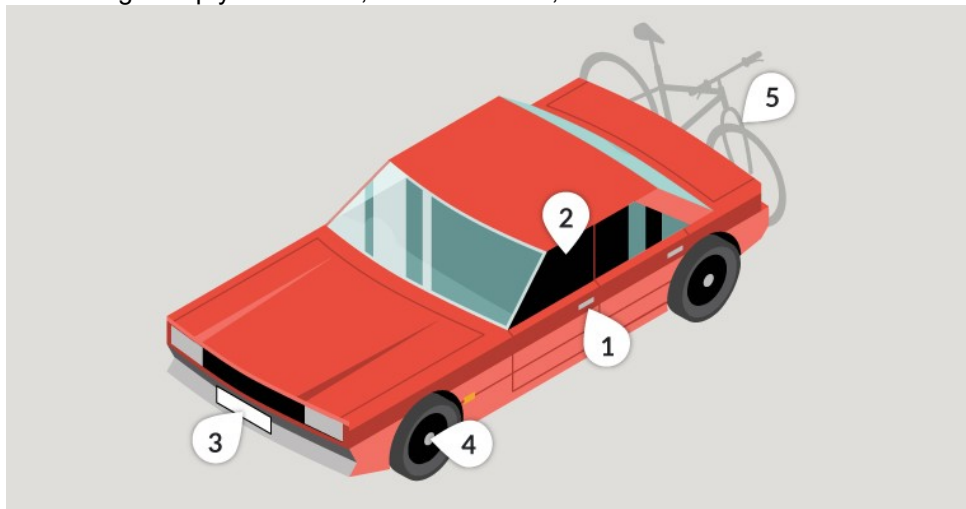

1 February 2023

In light of the recent rise in car crime in the area particularly the theft of catalytic converters and tool thefts, here is some simple advice on how to prevent your vehicle being targeted so you can avoid becoming a victim of crime.

Prevent theft from a vehicle

Having your car broken into and losing your things to thieves can be very distressing. Keep your vehicle, and what's in it, safe:

1. Always lock it

Fuelling up or popping back into your house to get something are perfect examples of how easy it is to turn your back for a moment and forget your vehicle is unsecured. So, get into the habit of locking your vehicle even if you're only going to be away from it for a moment.

If your vehicle has wing mirrors that fold in automatically when locked, make sure you lock it properly. Criminal gangs are looking for vehicles like these where the wing mirrors are still out because it is clear to them that the vehicle has been left unlocked.

2. Close windows and the sun roof to prevent 'fishing'

Leaving windows and the sunroof open invites fishing for items through the gap by hand or with, say, a bent coat hanger, which could also be used to unlock a door for them to get in. Thieves can be ingenious. Don't give them the opportunity.

3. Secure your number plates with tamper-resistant screws

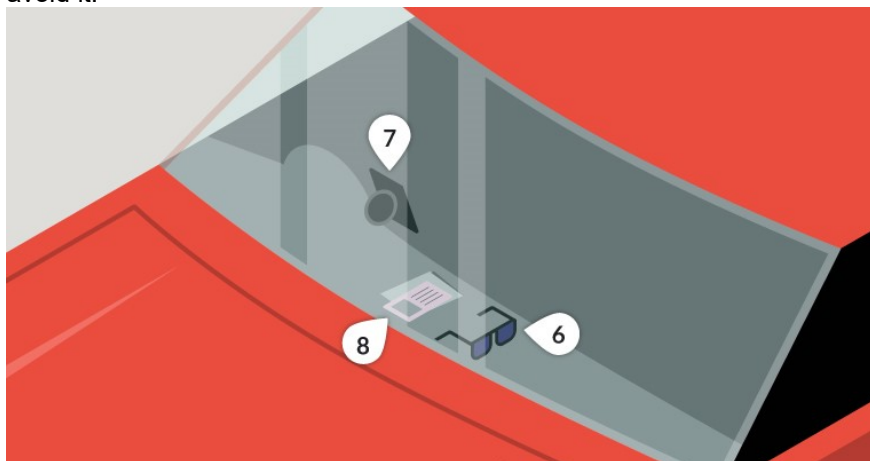

The easiest way to change the identity of a stolen vehicle or avoid speeding tickets and parking tickets is to fit stolen number plates. Using security screws to attach your vehicle's number plates makes it harder for thieves to get your number.

4. Fit locking, anti-tamper wheel nuts to secure alloy wheels

Stolen wheels are valuable, either as parts or for their scrap value. Using locking wheel nuts reduces the risk of your vehicle's wheels being stolen.

5. Secure anything that's on the outside of your vehicle

Anything left on roof-racks, tailgate racks, holiday top boxes or in tool chests are easily stolen when the vehicle is parked. The use of cable locks, padlocks and self-locking tools chests, which are secured to the vehicle, makes them more secure, but still, don't leave things in them if you can avoid it.

6. Take it with you or hide it

Your mobile phone, coins for the car park, sunglasses, packs of medication or other items that can earn quick cash are irresistible to the opportunist thief. Remember, the cost of replacing a window is often much more than that of what's stolen. And it should go without saying that wallets, handbags, purses and credit cards should never be left in an unattended vehicle.

7. Hide electrical items and leave no clues

Leaving sat nav mounts, suction cup marks on windows or cables on view gives it away that you have left a Sat Nav, smartphone or other device in your car. Even if they can't see the Sat Nav or iPad they might still break in to see if it's stored in the car, out of sight.

8. Tool theft from vans

Vans are often targeted by thieves for the tools stored inside. If you have to leave tools in a van overnight, it's a good idea to mark them clearly with your name / company name and address using paint pens and seal with a clear lacquer spray. Alternatively, you can use a variety of other property marking systems. Items that are clearly marked are less desirable and more difficult to sell on.

Consider using a lockable cabinet within your van to store tools – a number of security rated products are available. Small cameras are also designed to record inside vehicles.

You can also take photographs of items of value, make a note of the serial numbers and consider registering them online at a property register site.

9. Park in well-lit and busier areas

It can take less than 30 seconds to break into a vehicle. Parking in well-lit areas and busy streets increases the chances of a thief being seen, so they'll probably steer clear.

10. Take your documents with you

Having a vehicle's registration and insurance documents could let a thief pretend to be the owner. Which means they could sell it on quite easily. So, never leave any documents in the vehicle.

11. Choose your car park wisely

If possible, always try to park in well-lit and staffed car parks or those with a Park Mark safer parking award.

Catalytic converter theft

The precious metal in catalytic converters has led to an increase in their theft.

Catalytic converters are devices fitted to vehicle exhausts to reduce the amount of dangerous gases emitted. They are often targeted by thieves as they contain valuable metals and can be removed in less than a minute.

Catalytic converter theft most frequently occurs in car parks, but they can happen anywhere. Thieves may then sell these converters via scrapyards, online, or ship them out of the country.

Hybrid vehicles are most commonly targeted, as their metals are more valuable, but any vehicle can be at risk of catalytic converter theft.

Signs a catalytic converter theft is being committed

a vehicle being raised using a car jack in a car park or residential area

a loud drilling or cutting sound coming from underneath the vehicle

Prevent it

Although catalytic converter thefts are increasing, there are steps that you can take to protect your vehicle.

To keep your catalytic converter safe, you can ask your car dealer for advice on locks or guards that are approved by the vehicle manufacturer.

Alternatively, try to make sure your vehicle is parked in a garage overnight, or if you have a commercial vehicle, park it in a secure compound. If this isn't possible, park in an area that's well-lit and overlooked and try to park so that the converter can't be easily reached by potential thieves. Vehicles that sit high above the road are particularly vulnerable.

Visually impaired?

Why not join the Kent Association for the Blind friendly Club!

Free transport is available.

The Whitstable and Tankerton Club meets weekly every Tuesday at Swalecliffe Community Centre, St John's Road, Whitstable from 2pm to 4pm. For more information contact Bernie Kooiman by email to bernie68@rocketmail.com

Mini bus service and local volunteer transport schemes

1. Red Zebra volunteer car service – Red Zebra based in Whitstable, has been set up in Whitstable through the city council. See <http://www.redzebra.org.uk/volunteer-car-scheme/>

The scheme is for people who find it difficult to use public transport either through age or a need for special assistance. It is aimed at helping people get to essential health appointments and where resources permit, shopping and social trips may also be possible. The scheme offers a return journey and you will not be charged for waiting time, which is up to a maximum of two hours. A longer wait e.g. a drop-off in the morning and collection in the afternoon, will mean a double charge.

There are charges to cover the cost of running the scheme and petrol mileage, these are:

- annual subscription of £10 (or £15 for a couple)
- £2 administration charge per trip
- 45p per mile

All volunteer drivers are DBS checked and insured, and a driver who is able to carry and assist with a wheelchair etc can be arranged. To arrange your journey telephone Red Zebra in advance on: 01227 271111 - volunteers are available to take your calls Monday – Friday between 10am–12.30pm.

2. Kent Karrier dial-a-ride service - will take you from your home to set locations, such as the nearest town centre or supermarket. Group bookings, airport runs and a shopping service are also available. All services are operated with wheelchair accessible vehicles and our experienced drivers will give you all the help you need. You are eligible to join if:

- you have a medical condition that makes travelling on public transport difficult OR you live in a rural area more than 500 metres from a bus route or railway station
- you are aged 85+.

You must join the scheme to be able to use it. It costs £5 per year and a small fare for each journey.

Concessionary fare passes are not valid for travel on Kent Karrier services. Carers or companions can also travel. They don't need to be members but companions will need to pay the journey fare and carers can travel for free.

Download the Kent Karrier application form at https://www.kent.gov.uk/_data/assets/pdf_file/0018/4761/Kent-Karrier-membership-Form.pdf, complete it and post back to: Kent Karrier Membership, Public Transport, Kent County Council, PO Box 441, Aylesford, ME6 9HJ. If you have any questions please call 03000 413567.

The information leaflets by district at the following weblink show you a timetable for your area, where you can travel and who to contact to book a journey: <https://www.kent.gov.uk/roads-and-travel/travelling-around-kent/community-transport/kent-karrier#tab-4>

3. Thanet Community Transport DIAL-A-RIDE - A door to door service for the disabled and elderly for individuals, typically used for medical appointments, shopping trips, days out and holidays. TELEPHONE: 01843 602030 or EMAIL: transport@transportinthanet.co.uk. ADDRESS: Thanet Community Transport Association, Unit 2, The Lead Centre, Dane Valley Road, St Peters, Broadstairs, CT10 3JJ. More information on their website: <http://transportinthanet.co.uk/>

CHESTFIELD PARISH COUNCIL

Clerk to the Council Amanda Sparkes c/o 7 Beech Tree Avenue, Sholden, Deal
CT14 0FB

Telephone: 01227 773121 **Email:** clerk@chestfieldparishcouncil.gov.uk

PARISH COUNCIL MEETINGS and SURGERIES

Parish Council formal meetings are held bi-monthly at the WI Hall, Chestfield Road and are open to all. The formal meeting starts at 7.30pm. There is an adjournment early on to ask questions, or comment on current issues.

Look for Notices on the village notice boards and on the website

www.chestfieldparishcouncil.gov.uk Minutes are published on the website and available from November 2007. Full minutes of the previous meeting are available at each meeting for members of the public. To receive an electronic version of the Agenda for each meeting and the subsequent Minutes, please let the Clerk have your name, address and email address.

The parish council holds bi-monthly formal meetings but has informal residents' surgeries for those same date and for the months in between. *Dates of full parish council meetings therefore: 13 March 2023 (And Monday 20 March 2023 for the Annual Electors' Meeting), 22 May (delayed by May elections and bank Holiday 08 May), 10 July, 11 September, 13 November 2023.*

Councillor surgeries for residents - want to speak informally to a parish councillor? Chestfield Parish Council has 'councillor surgeries' for residents each month. Come along informally between 6.30pm and 7.30pm to the WI hall in Chestfield Road to voice any concerns or give any comments to a councillor. *Dates of surgeries for residents: from 6.30pm - 7.30pm - 13 March, none in April due to Easter bank holiday clash, 22 May (delayed by May elections and bank Holiday 08 May), 12 June, 10 July, none in August, 11 September, 09 October, 13 November and 11 December 2023.*

We would remind all persons present at a meeting that whilst it remains your right to speak, this must be done through the Chair.

Please note that Chestfield Parish Council has a zero tolerance policy with regard to the poor behaviour of any individual towards any member of the Parish Council, Clerk, or other member of the public, and that any such transgression that is deemed either threatening or otherwise, the individual will be asked to leave the meeting.

If you have a query and want to speak to the parish council about it, please contact the Clerk in the first instance (details above). Alternatively come along to one of the monthly surgeries and get to know and engage with your local councillors:

Your local councillors:

STEVE BAILEY Responsibilities: Chairman, Highways, Bus/Train services, Social events	CHRIS BREALY Vice-Chairman, Play Park and Rec Grnd, Highways, Environ- ment & Street scene, litter, dog fouling.	TRICIA CHAPMAN Tree Warden, Open spaces, and Training. Community events support
ANNE LODER Traffic, Footpaths/ Public rights of way	DAVID FITZPATRICK Planning, Highways and Drainage	PAT GIBSON Parish Plan, footpaths. Community events support
BOB TODD Flood Warden, Parish Plan, Emergency Plan, Planning reserve	LORRAINE EAST Flood Warden Fire Hydrant inspection and problem reporting	MIKE POOLE Co-opted January 2023. Responsibilities tbc

As the Clerk is part-time, email is the favoured means of contact for a more timely reply to any urgent enquiry.

Please also note that we cannot deal with anonymous reports. For the Clerk to onwardly report any item we need to have contact details of the person reporting – although these details can be withheld if appropriate for onward reporting. Speak to the Clerk if unclear.

City Councillors

- i) Cllr Pat Todd: 60 Sherwood Drive, Whitstable, CT5 4PH.
Email: pat.todd@councillor.canterbury.gov.uk Tel. 01227 276396

Canterbury City Council:

- Main switchboard 01227 862000 www.canterbury.gov.uk
- CCC Planning Call Centre Tel: 01227 862178
- Recycling Information – 01227 862247
- Refuse - (Domestic) bulky collections and missed collections – *The Canterbury Environment Company (CANENCO)* – 01227 947 860
- Street Charity Collections – 01227 862069 / 01227 862010
- Emergency Out of Hours CCC team - Tel: 01227 781879

For bulky waste collections or missed collection – call *Canterbury Environment Company* 01227 947 860 or by using one of the many forms at https://www.canterbury.gov.uk/info/20001/bins_and_waste

CCC fly-tipping reports on the CCC website

https://www.canterbury.gov.uk/info/20043/waste_and_enforcement/31/report_flytipping. CCC's reporting tool to report fly-tipping enables you to drop a pin on a map. It can also take the location from a phone if reporting is done in situ. And there's the facility to upload pictures of the waste.

Reporting items to such as litter, dog fouling, problems or overflowing litter bins and/or dog bins - telephone or ideally do online: Please call

Canterbury Environment Company 01227 947 860 or report at https://www.canterbury.gov.uk/info/20008/environmental_problems/119/keeping_the_district_clean. For any waste that could cause immediate danger, e.g. discarded needles and syringes, please call for a rapid response.

Canenco grounds team can be contacted by emailing grounds.help@canen.co or calling 07718 045985.

Report dog fouling - Dog fouling can be reported to CCC to be cleared up. https://www.canterbury.gov.uk/info/20008/environmental_problems/119/keeping_the_district_clean/2 This online form can also be used to tell CCC about repeat offenders. If CCC catch them they will be given a fine of £80.

A reminder – did you know? dog waste can be put into ordinary black bins too – not necessarily just the red dog-bin only bins. Please bag it and bin it!

Report graffiti at

https://www.canterbury.gov.uk/info/20044/vandalism_and_graffiti/55/request_graffiti_removal .Note: Canterbury City Council will remove graffiti from a residential home or property CCC own, such as play areas and public toilets BUT can't remove it from locations like phone boxes or bridges that don't belong to CCC. If the graffiti is on someone's property, there is no charge for the first two hours work or a maximum area of 5m²

Reporting crimes and incidents on the Kent Police website

Report crimes and incidents as well as non-injury road traffic collisions ONLINE directly to Kent Police through www.kent.police.uk .

Kent County Council Highways and Road/ Lighting defects - web link for the KCC fault reporting tool – for reporting things like potholes, faulty lights, overgrown vegetation etc. :

<http://webapps.kent.gov.uk/KCC.KHSFaultsGIS.Web.Sites.Public/Default.aspx>

To report a potential emergency situation, please call KCC immediately on 03000 418181 between 8am and 6pm Mon – Fri or on 03000 419191 at all other times

If you're paying someone to take rubbish away - if you have your rubbish removed and it ends up being flytipped, you could be fined. Protect yourself - ask the waste removal service or tradesperson for their waste carrier registration number. Check the number with the Environment Agency 0370 850 6506 or www.cleankent.com (follow the link to the Environment Agency). Keep information from the waste collector – and ask for a receipt. If they're not registered don't use them and tell Trading Standards - 03454 04 05 06.

112 (999) on a mobile – did you know if you call 112 in an emergency on a mobile phone, it pinpoints your location to within a few metres (this is done by tracking to the cell that the phone is using). You can still call 999....

Blood donation: 96% of us rely on the other 4% to give blood. If you're healthy and aged 17-65 you may be able to give blood - For an appointment or more information please call 08457 711711 or visit www.blood.co.uk

Necessary Furniture – to donate unwanted furniture or for anyone to buy second hand furniture at very reasonable prices, visit Necessary Furniture, Unit 2B, Canterbury Industrial Park, Island Rd, Hersden, Canterbury CT3 4HQ.Tel. 01227 712680

Homelessness - If you see a homeless person on the street there is a 24 hour helpline – 0800 567 7699 – this puts you through to the charity “Porchlight”

Junk Mail/ Mail Preference Service 0845 703 4599 www.mpsonline.org.uk

Monday to Friday from 9am to 5pm.

Fire safety advice visit www.kent.fire-uk.org/cooking or call 0800 9237000.

Keep your family safe – test your smoke alarm weekly!

Talking Newspapers – The Whitstable Echo supply talking newspapers for the blind – they come in a resealable pack – please send back once finished. Call 01227 763366.

Talking Books – Books for the blind for a payable subscription – call Calibre on 01296 432 339.

Not sure if you need planning permission? CCC's residential self-assessment forms at <http://www.canterbury.gov.uk/main.cfm?objectid=58>

Any errors with details above, or any community information elsewhere in the magazine, let the Clerk know to amend in future editions. Or to add new contacts also let us know!

Viewing planning applications – Canterbury City Council (CCC) is the planning authority for Chestfield. Residents need to view plans online, although CCC will continue to advertise of applications / write to affected residents. You need the application reference number. Each application is made up of a reference, such as CA/23/10001/FUL – where the CA prefix stands for Canterbury (as the planning authority), the 23 is the year the application is registered, the next 5 digits denote the unique sequential application number in that relevant year, and then the last three letters are an abbreviation for the type of application, for example FUL is a Full application, OUT is Outline and LB is a listed building type application.

To view online: visit www.canterbury.gov.uk Then select 'planning' then 'view and comment on planning applications' . Then click on "search planning applications". In the search box at the bottom you need to enter the planning application reference number. As explained above each application has a unique reference – but for viewing purposes you need to input just the year and application number in the search box – so in our example input 23/10001 only, not the full reference. CCC's planning call centre may assist with any difficulties: call 01227 862178 Monday-Friday 9am-5pm. In May 2018 we put together a **Guide to Planning and Planning Applications** – which we include as part of our welcome pack documents for new residents. The full document may be found on our website.

In November 2020, CCC resolved a change to the Call-in arrangements for an application to go to the CCC Planning Committee for determination – the ability for a parish council to request an application goes to committee was withdrawn. And the trigger of four or more objections was also withdrawn. Ward Councillors however may still call-in an application.

 CHATTERBOX Baby & Toddler Group	Toys, Games, Crafts, Songs - Every Friday 9.30 to 11.30 £1 per adult, 50p per child including refreshments At St John's Church Centre, Swalecliffe (near chemists) All welcome - just turn up
---	--

To receive current parish council meeting Agenda and Minutes electronically, please provide your email address to the Clerk. Minutes also include our planning appendix which lists the local planning applications – those current at the time of the meeting and decisions made by CCC.

ADVERTISING

Would you like to advertise in this magazine? The Magazine goes out quarterly, four times per year to all households in Chestfield (over 1380 properties). Each advertiser also receives a copy (if they require one). Annual rates depend on the size of advert, and space permitting, and start from £50 per year for four editions. If you would like to advertise please contact the Clerk, Amanda Sparkes by email **clerk@chestfieldparishcouncil.gov.uk** or phone 01227 773121. Ideally you will supply your artwork in Microsoft Word format. If you want help with the artwork just ask.

Publication of any advertisement in this magazine does not imply endorsement by Chestfield Parish Council.

The Parish Council recommends you seek more than one quotation for works to be undertaken in or around your home. And you may wish to consider checking whether your chosen trader is on Check-A-Trade or similar. Or ask for local references – and follow up on them with previous customers!

TOP TIP – We recommend that you get a price upfront, and in writing, for any work/job that you wish a tradesperson to undertake for you.

Pilates in Chestfield

"In 10 sessions you'll feel the difference, in 20 sessions you'll see the difference, and in 30 sessions you'll have a whole new body" Joseph Pilates

Time to get walking again! but where to find new and interesting walks? Walking in Kent <https://www.walkinginengland.co.uk/kent> has loads of walks to download and print, free, it also has books of walks, details of all the walking groups in the county and much more. Whether you want to walk on your own or with a group all the information is there in one place. John Harris (who maintains the website) said 'There is so much walking information on the web but it is difficult to find. Walking in Kent (part of the Walking in England website) has brought it together in one place so whether you are walking from home, or away on holiday, you will be able to find a walk suitable for you.' With walks from half a mile to twelve miles plus long, and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

Outstanding care services for the elderly in and around Chestfield
